

Symposium on Medicinal Chemistry

*DMCCB Basel Symposium 2018*  
«Novel Chemical Space and Tools for  
Chemical Biology, Medicinal and  
Agrochemistry»

May 14, 2018, 13.30h – 18.30h  
University of Basel, Pharmacenter

Organized by the Division of Medicinal Chemistry &  
Chemical Biology of the Swiss Chemical Society

Published by:  
Swiss Chemical Society  
Haus der Akademien  
Postfach  
3001 Bern  
info@scg.ch

**SCS**  
Swiss Chemical  
Society

**Division of  
Medicinal Chemistry  
& Chemical Biology**

# Organizing Committee

**Dr. Cornelia Zumbrunn**, Idorsia Pharmaceuticals Ltd.

**Dr. Yves Auberson**, Novartis Institutes for BioMedical Research and President of the DMCCB.

## Location

University of Basel

Pharmacenter

Klingelbergstrasse 50, Basel

Lecture Hall 1

## Traveling by train

At the Basel SBB station take bus No. 30 to the stop Kinderspital. Cross the Street. Walk up Klingelbergstrasse. Alternatively, take the Tram line No. 11 direction St. Louis Grenze to the station Johanniterbrücke. Swiss Railway timetable on [www.sbb.ch](http://www.sbb.ch)

## Traveling by car

No parking possibilities are available on the campus area. Closest paid parking nearby in the public parking City.

University  
of Basel

## Scientific Program

---

13.00 Registration

---

13.30 Introduction

13.35 **Alleyn Plowright**, Sanofi

*Joining forces: applications of Chemical Biology and Medicinal Chemistry to discover novel biological tools and utilise new therapeutic modalities*

14.20 **Miles Congreve**, Heptares Therapeutics Ltd.

*Structure-Based Discovery of Small Molecule and Peptide Agents for GPCR Targets*

---

15.05 Coffee Break

---

15.30 **Gisbert Schneider**, ETH Zurich

*Artificially-intelligent drug design*

16.15 **Jozef Vanden Broeck**, University of Leuven

*Advances in understanding the mechanisms of RNA interference in insects*

17.00 **David Spring**, University of Cambridge

*Enriching Chemical Space to Drug Undruggable Targets*

---

17.45 Aperitif

---

## The SCS Division of Medicinal Chemistry & Chemical Biology

The DMCCB comprises about 750 scientists interested in medicinal chemistry, chemical biology and related fields of research. It organizes scientific events such as the DMCCB Basel Symposiums, the Medicinal Chemistry & Chemical Biology session of the SCS annual meeting, and every second year co-organizes the Frontiers in Medicinal Chemistry congress together with the German GDCh. It also offers a high-quality, bi-annual Medicinal Chemistry Course which takes place in Leysin. Beyond Switzerland, the DMCCB interacts with other country organizations to represent the Swiss medicinal chemistry and chemical biology community

The DMCCB is a member society of the EFMC (European Federation of Medicinal Chemistry)

**Become a SCS member! Join us on [scg.ch/membership](https://scg.ch/membership)**

## DMCCB Basel Symposium 2018

The Division of Medicinal Chemistry & Chemical Biology of the SCS invites you to the next edition of the DMCCB Basel Symposium, a half-day event with five invited speakers talking about «Novel Chemical Space and Tools for Chemical Biology, Medicinal and Agrochemistry»

The goal is to stimulate a stronger cooperation among persons working in different areas of medicinal chemistry and chemical biology. Scientists from applied and fundamental research, from industry, education, and regulation are welcome.

### Participation Fees

Participation is free of charge for SCS members  
Fees for non-members CHF 50, students CHF 25

### Registration

Please register on [scg.ch/dmccb-basel-symposium/2018](http://scg.ch/dmccb-basel-symposium/2018)

### Conference Office and Contact

Swiss Chemical Society  
Haus der Akademien  
Laupenstrasse 7, Postfach  
3001 Bern  
Email: [info@scg.ch](mailto:info@scg.ch)

### Sponsors
